

Greetings and welcome to the 84th annual meeting of Maine State Credit Union. I am pleased to report that Maine State Credit Union has had another year of growth and still remains one of the largest credit unions in the state of Maine. We ended the year with \$453 million in assets.

Exceptional Service

One of our core missions it to provide our members with the highest level of service. This means staying current with technology and service standards. In 2019, we continued to grow our eBranch and expand the hours to 7:00 am - 6:00 pm and added additional staff to ensure you have a live person to help you with your banking needs. In addition, to growing our eBranch, we also created a deposit services team. This group processes all member paperwork, freeing up our financial service representatives to spend their time helping you with your banking needs.

New Member Banking Experience

In 2019, we started to remodel our 200 Capitol Street location. This renovation has been designed with the member in mind. While, it is dramatically different, from what we had before, we believe that this will help to ease wait times an allow us to concentrate on your needs and help you reach your vision of success.

Expansion into New Markets

We continue to experience growth in our membership and in 2019, grew our membership by 2.79%. This is a great number and is a testament to our staff and the level of service that we provide. However, as the population of the state of Maine changes, it is important to adjust as well. In 2019, we expanded our membership into Cumberland, Androscoggin and Sagadahoc counties. This will allow us to continue to share our message and stay one of the top credit unions in the state.

What's Ahead in 2020?

We will continue to focus on providing exceptional service to all our members. We will continue to find ways to provide easy and convenient access to all the services that we offer. It is our goal to improve and expand our offerings to meet all your financial needs.

On behalf of everyone at Maine State Credit Union, thank you for your ongoing membership and commitment. We look forward to providing you with the highest level of service in 2020.

Best Regards,

H. Tucker Cole

Social Responsibility

At Maine State Credit Union, we believe it is our mission to provide support and help our community members. We do this through donations, fundraising, and feet-on-theground support.

Ending Hunger

In 2019, we were once again the leader in raising money for the Maine Credit Union League's Ending Hunger campaign. Through fundraising, raffles, and donations from our business partners, members, and the community we were able to give back over \$95,000 to local food pantries, soup kitchens and shelters.

Travis Mills Foundation

Maine State Credit Union also supports the Travis Mills Foundation. We participate in their annual road race, hold BBQs, and also volunteer our time at the retreat center to help get it ready for the visitors.

Pond Hockey Classic

Our employees participated in this year's Maine Pond Hockey Classic. Proceeds from this event went to the Alfond Youth Center in Waterville.

#1 Best Place to Work in Maine

We were overwhelmed with excitement when we found out that our employees voted us the best place to work in Maine. This is a testament to all the hard work our employees do each and every day to not only support each other, but to assist our members with their financial needs

Board of Directors & Management Team

Board of Directors

As a member of Maine State Credit Union, you own, operate, and control the organization through your Board of Directors. You are entitled to elect and be elected to the volunteer Board of Directors, which is comprised of members who manage the credit union based on the needs and wishes of all members.
